The perfect luxury gift to indulge someone special. With an ideal mix of sweet and savoury treats, it offers something for everyone and celebrates every occasion. Make a toast with the famous Lanson Black Label Champagne whilst nibbling on rich Belgian chocolates. Or have afternoon tea with rosemary crackers, pâté and stuffed vine leaves. The indulgences don't stop there either – share out the creamy Sicilian butter cookies, perk up your palate with fiery Cajun spiced nuts or give your taste buds a treat with melt-in-the-mouth Belgian mint sticks. Beautifully presented in a wicker basket and hand-tied with a flourish of ribbon, this is an ideal gift for friends, family or clients.
