Errázuriz Founder's Reserve 2013

An incredible wine that will develop for many years to come. Grapes from only the very finest and oldest plots within the Don Maximiano Estate vineyards went into producing this wine of intense power and concentration. The Founder's Reserve is probably Chile's first **super-premium wine**; the 1995 vintage won Chile's first ever Gold medal at the International Wine Challenge in 1997. Truly a special wine for the connoisseur
