This deep wicker basket is brimming with sweet & savoury tastes to relish. Its centrepiece is a **duo of medal winning wines**; a velvety merlot from Argentina, and a rich and soft chenin blanc from South African producers Kleine Zalze. Dig further and discover the tangy duck & pepper pâté, crumbly ginger cookies or if you like a bit of spice, choose between the fiery chilli chocolate or hot pepper crackers. Then cool off with award-winning shallot & orange dressing or the delicate apricots in syrup. And we've not stopped there - among the 20 items crammed into the wicker basket you'll also find chocolate almonds, red wine vinegar, shortbread, nuts, chutney and lots more. One of our very favourite food hampers, this is sure to leave a friend or colleague purring with appreciation.
