Celebrate the best of British with our beautifully designed British food tower. We've scoured the country to find the best local food, then carefully packed it into attractive blue and silver gift boxes. **Sealed with a flourish of red ribbon**, this Best of British Food Tower is a great way to celebrate British food at home, or share our best delicacies with friends from abroad. There are some classics in here. Sweet treats include chocolate covered honeycomb, crumbly fudge cubes from Lancashire and caramels made in Scotland.
