Jean Luc Colombo, Cornas La Louvée 2013

A superbly rich and complex wine that will develop for many years to come. La Louvée is 100% Syrah, born from vines as old as 90 years and matured in oak barrels for 20 months. This single vineyard wine has gorgeous deep-red colour and introduces a powerful and intricate nose of black fruits, spice and garrigue. This 2013 vintage scooped silver medals at both the International Wine Challenge and Decanter Wine Awards in 2016.
