The new arrival will be receiving a fair amount of gifts but this huge wicker basket will stand out from the rest. It contains everything a newborn needs, along with some premium luxuries it's just nice to have! The large 25cm soft and cuddly bear - with "My First Teddy" embroidered on its paw - can be treasured for a lifetime. The velour lamb comforter will be a favourite at bedtime as will the incredibly soft large bamboo swaddle. No newborn hamper would be complete without a slew of other handy everyday accessories including a hooded bath towel, bandana bib, brush & comb set, scratch mitts, muslin square, cotton socks and an infant hat. You'll also find essential baby wipes - containing no chemicals, just 99.9% water and a drop of fruit extract - perfect for the newborns sensitive skin. And come bathtime the award-winning and certified organic shampoo & bodywash will be just the thing to give the little one his bath. The large basket with handle will make a beautiful keepsake or storage basket afterwards. And with everything in neutral colours this is the ideal gift to celebrate the birth of a baby boy or girl - arriving to their door hand-tied with ribbon along with your personal message of congratulations.
