Presented in five re-usable grey & white striped gift boxes, this new baby gift is packed with useful kit; and with everything in pure white it's perfect for either a baby girl or boy. The centrepiece is the super soft velour comforter, featuring knotted corners and a fluffy lambs head and arms. You'll also find a pair of scratch mitts, a brush & comb set, baby socks, two muslin squares, a newborn cotton hat and bandana bib - all in brilliant white and made from 100% cotton. There's even room to include some award-winning chocolate-dipped fudge for mum or dad, to help keep up energy. When deconstructed, the five tier tower will make some lovely keepsake boxes - or a great stacking toy for when the baby reaches toddler-hood! Our newborn gift tower arrives hand-tied with grey and white ribbon along with your personal message of congratulations to the parents.
