This beautiful wicker hamper includes everything needed for a tasty outdoor feast. You'll love the carefully chosen mixture of snacks and treats, including award-winning vegetable crisps, rosemary dipping crackers and a fiery harrisa meze dip to go with them. The pair of thirst quenching fizzy pops should help if the spiced dip has a little too much zip! You'll also discover award-winning olives, a pair of fruity flapjacks and dry roasted peanuts. The cutlery and ceramic crockery are a lovely touch - you won't be dining on paper plates with this gift. The picnic hamper itself is a sturdy wicker basket with **real leather straps** and a stunning retro look.
