As one of the leading champagne houses of France, **Veuve Clicquot** well deserves its enviable reputation for this famous bubbly; the prestigious *Wine Spectator* magazine gave it a score of 92/100 in 2012. A luxurious Champagne with toasty vanilla notes, this is a great choice for any special occasion and we've paired it with a few choice goodies which will all arrive in a sturdy, deep seagrass basket, beautifully hand tied with ribbon.
